Hello Mr. Abelson,

The Judicial Panel hearing on case 19-83 is scheduled for 2/11/20. By this email the charging parties, Mr. Dugovich and I, are asking to withdraw Count III in light of Judicial Panel decision 19-66. Count III of 19-83 alleged Local 114 funds were expended without proper authorization by Jael Komac, Shayla Francis, Andrew Wojciechowski, and Tom Veitch. The previous judicial panel decision involved similar allegations and facts, and concluded Ms. Komac did violate the constitution, but that Ms. Francis, Mr. Wojciechowski, and Mr. Veitch did not.

Mr. Wojciechowski and Mr. Veitch were only charged in 19-83 with Count III, the charge we are asking to be withdrawn. Ms. Komac, Ms. Francis, and Mr. Juneau remain charged parties in count I, and Ms. Komac in Count II. The four charged parties in count III are copied on this email.

Thank you,

Ed Stemler
